

I want to get involved !!!!

Our Community CIC want to recruit the expertise, ideas and enthusiasm of members of our local community to help develop and deliver projects and activities in Bordesley Green.

It doesn't matter how old you are, how much time you can give to us, or if you don't know one end of a computer from another, there are many ways we would love you to help.

Perhaps most importantly, if there is something you would like to get involved with but feel that you lack the skills, let us know! We're going to be trying to get some grant funding to pay for training for our volunteers, to make sure everyone has all the support they need to take on new roles and responsibilities. But you do need to tell us, so we can put it in the bid!

Similarly, if you are worried about childcare, or can only offer help at weekends or on an irregular basis, let us know. There are lots of things happening 'behind the scenes' that we need people to get involved with – from putting forward your ideas in steering groups to proof-reading press releases.

So please fill in the attached form and send it to us – or simply get in touch - and we'll work something out. You bring your enthusiasm, and we'll try to do the rest!

Thank you
